

GROUP HEALTH POLICY Available for Club Members

The Club offers two Group Health Insurance Policies. Khun Neng is the broker for both and will provide details for both policies. You must be a PCEC member.

The AXA insurance policy is available up to age 70 (you can renew up to age 75). Once you are 76, you may be renewed on a case by case basis by AXA.

The second Group policy is available from Pacific Cross Insurance (Higher coverage) (the maximum age for the first application is 80 years which can be renewed till 90. After 90, Pacific Cross Insurance will consider renewing the policy on case by case basis). But members age 65-80 years need a medical checkup report for application).

For a comparison of the two policies, [click here](#).
