CAUTION! – UNSOLICITED TELEPHONE CALLS OFFERING INVESTMENT OPPORTUNITY TO MEMBERS

The PCEC Board has received reports that a person representing an Investment Company is making calls to PCEC members suggesting he attended a PCEC meeting, saw them there and would like to meet to discuss off-shore investing. It is possible that this individual has taken telephone numbers from the sign-up lists at the front desk at HJB. If any member receives such a call, please jot down the name of the caller, the name of his company, and his telephone number if he will give it to you. These calls are NOT authorized by the PCEC. Our members email addresses, our mailing lists and telephone numbers are the property of the PCEC and not available to any other organization. We are adamantly opposed to the use of our member's contact information by any outside group. You are free to use any words that may come to mind if you receive a call from this person. If you happen to be drawn into conversation with him, we would appreciate receiving any information about the caller by email to info@pattayacityexpatsclub.com or telephone call to Richard Smith at 038-412-197, or comment at our Sunday meeting.

LAST SUNDAY MEETING AT HJB WILL BE MARCH 21 – TEMPORARY MEETING LOCATION STARTING WITH MARCH 28 MEETING WILL BE IN THE AMARI GARDEN WING.

The renovation is expected to take about 4 weeks to complete. During renovation, we will be meeting in the Amari's Garden Wing. We will be providing information in the Newsletter and on the website of the exact location for our meeting for Sunday March 28 and thereafter during the renovation period.

US EMBASSY AMERICAN CITIZEN SERVICES WILL VISIT PATTAYHA ON WEDNESDAY MARCH 24

The outreach visit will be at the Dusit Thani Pattaya (located at the Dolphin Roundabout – intersection of 2nd Road and Pattaya Nua (North) Road). It will be from 10am to 2pm (this is a time change from previous outreach visits). Various consular services will be available – passport application, notarial services and certified copies (includes income affidavits for US citizen retirees in Thailand), answers to social security and other Federal benefits questions. Notarial services are \$30 or 1,020 Baht. Passport applications are \$75 or 2,550 Baht for adults and \$85 or 2,890 Baht for a child. Applications for additional pages can be made, but the passport will have to be picked up in Bangkok as the pages cannot be added in Pattaya. If you have any questions, please email acsbkk@state.gov or call the American Citizen Services Unit at 02-205-4049.

SEVERAL FOREIGN EMBASSIES ISSUE TRAVEL WARNINGS FOR BANGKOK

There has been some explosive devices detonated or found in Bangkok after the Thai Court's ruling on the former Prime Minister's asset forfeiture. It is possible that more devices may be planted leading up to a planned major political rally in Bangkok on March 14. Foreigners should exercise caution and vigilance (especially during the hours of darkness) when walking through populated urban areas. Immediately report to law enforcement or security personnel any unattended packages or bags in public areas. Foreigners should also avoid any large crowds of demonstrators as there is always the possibility of violence at such gatherings.

COMPUTER GROUP WILL NOT MEET IN MARCH

Our Host, Howard Posner, will be away for the next few months, so we are looking for an interested person to fill in for him. If you or someone you know is interested in making a presentation on computers or cell phones, please contact Richard Smith at 089-244-9523, or by email at rick2mail@gmail. There is a lot of interest in the new Windows 7 – someone who could help us with a discussion of the good and the not so good in Windows 7 would be appreciated. There will not be a Computer Group meeting in March.
